

Heart of Ohio RC&D

MISSION:

To enhance the quality of life in central Ohio by facilitating the use of natural and economic resources for a sustainable future.

VISION:

A sustainable, regional community with open spaces, clean water and air, and natural habitats in balance with a viable mixed economy that includes agriculture, commerce, industry, and tourism.

WHO WE ARE:

The Heart of Ohio RC&D is composed of a nine-county region within central Ohio including: Delaware, Fairfield, Franklin, Knox, Licking, Madison, Marion, Morrow, and Pickaway counties. In 1994 the Heart of Ohio RC&D was formed and in 1997, was identified by the I.R.S. as a 501c3 not-for-profit organization. Since then, our 27-member Council has been comprised of one County Commissioner, one Soil and Water Conservation District Board Member, and one At-Large Member from each of our nine counties. As of 2010, we want to expand our membership to make more things happen in YOUR county!
